TWENTIETH EDITION

BROCKPORT HIGH SCHOOL

BROCKPORT, NEW YORK

FOREWORD

The purpose of any yearbook is to record a year of school life for the students. The 1963 edition of the *Arista* is using not only formal but also candid photographs to present a realistic view of Brockport High School. The Arista Staff has used a candid-camera theme to present a more vivid record of the '62-'63 school year.

The division pages, the sketches, the write-ups, and the small candid photos that appear on various pages all carry out this theme. Our hopes are that we can revive some pleasant and humorous memories of the past year.

ADMINISTRATION

FIRST ROW: Warren Willis, Dean Henion, President; William Stephenson. SECOND ROW: Robert Reynolds, Robert Dye, Karlton Davis, Raymond Daly, Sherwin Terry. ABSENT: Robert Pepper, Vice-President; Avery Gretton.

BOARD OF EDUCATION

The members of the Board of Education constitute the governing body of the school. Responsible community citizens who represent a variety of vocations, these men devote a great deal of time and effort toward fulfilling the needs of the ever expanding school population. Without their participation in laying out the initial groundwork the primary school function of educating students in the best possible manner could not be accomplished.

ADMINISTRATION

Upon the shoulders of the Administration rests the responsibility of carrying out the decisions of the Board of Education, directing the function of educating the students and regulating the atmosphere of the school with regard to enjoyment as well as to learning.

LAWRENCE CYR

IN MEMORIAM

The entire school was saddened by the death of Mr. Lawrence Cyr in Decmeber of last year. This was Mr. Cyr's first year at Brockport and only his second year of teaching French. Previously he had been with a hotel chain in Nebraska.

All French students agree that they benefitted from his instruction even though he taught here for such a short time.

A number of organizations have contributed to a memorial fund for Mr. Cyr. The French Club has initiated an award in his name to be given each year to a student of French.

The Arista Staff would like to express its regrets at his death and sympathy to his family.

EXCHANGE STUDENT

As foreign exchange student I have spent this past year in Brockport. I was chosen for this program by a lady from Lincoln, Massachusetts, head of the International Student Placement Service who visited my school and interviewed me as well as several of my fellow students. Arrangements here in Brockport were made by Thomas Benedict.

My home town, Hannover, a very modern city of 600,000 people, is the capital of Lower Saxony, one of the eleven states in West Germany. It also is a famous place for meetings and exhibitions, the most important of which is the annual industrial fair, the biggest of its kind in the world. Although a city of great industry, much is done for recreation. There are many parks, a large forest and a few small lakes in the middle of the town.

In Hannover I attended "Leibnirschule" the best one of its kind there, named after a famous mathematician. This is an all boys high school, grades 5-13 with approximately 1100 students. There as a major in language, I studied English for six years and Latin for four years. Then I took French for one year, at the same time taking such subjects as Math, Physics and History each year. In addition there are still others a student has to take, altogether about twelve. This is one of the big differences between our two schools; another one is the school spirit, which has impressed me as being much better here than in Germany. On the other hand, hardly any sports are played after school in Hannover. If one wants to be active, he has to join a public club.

Although in the very beginning I found some difficulty in keeping everyone's name straight, I got acquainted after some while with a great number of students in homeroom, classes, clubs and athletics. In the same way I got to know many teachers and found them to be more like comrades than strict teachers. Altogether I have made many new friends whom I will miss when I return to Hannover. In school I have had a wonderful time in Brockport and "old B. H. S." I have gained very much experience in understanding America and its people which is of utmost value to me. I hope that in return I cleared up some questions about my own country in personal and group talks.

U. N. AMBASSADOR

I represented Brockport at the United Nations Pilgrimage for Youth last July.

These pilgrimages are sponsored by the Odd Fellow and Rebecca lodges all over the United States. Throughout the summer, thousands of delegates from our country travelled to New York City to study the United Nations. We learned the different phases of its powers and benefits.

Study was not all that the delegates did. We were shown all around the city; visiting embassies, touring, and generally just having a good time.

It is a very worthwhile program and Brockport High School is proud to be a part of it!

AMBASSADORS

My summer as Brockport's 1962 Community Ambassador was enjoyed in the Orient. For fifty-two days we American Experimenters learned and lived as true Japanese. "Hachi," "futons," "furos," "geta," and "tatami" were soon accepted as familiar instead of strange nomenclatures; and narrow streets, overflowing populace, raw fish, rushing taxies and Buddist temples were the ordinary instead of the exception.

My unusually fascinating and ever vivid homestay was spent with the Ishikawas of Kamazawa, a large industrial city on western Honshu in Japan. We numbered five. We lived together for twenty-six days. My devotion to them now is exceeded only by my devotion to my true family.

Six days in Tokyo and the feat of climbing Mt. Fujiyama, ended our unprecedented, unequaled and forever memorable summer, as genuine Experimenter's In International Living.

RONALD SODOMA

KATHLEEN SWARTOUT

One of the greatest experiences of a lifetime is that of traveling as a Community Ambassador. I had the great honor of representing Brockport in Great Britain for the summer of 1962. I was delighted and honored that Brockport gave me this opportunity to live with a family of seven —the Dates.

The Dates whom I grew to love as my second family, lived in the suburb of Swansea, South Wales. For five weeks I lived with them, becoming a member of this family, sharing in their problems and responsibilities as well as their fun.

On August 4th we left our families for two weeks of informal travel throughout Great Britain, visiting such famous cities as Coventry, Bristol, Bath, Warwick, Stratford and Edinburgh, Scotland; then the never to be forgotten highlight of the informal trip—London.

Back to Swansea to say Good-by to our families, not forever, I hope, but just until we can return in the near future.

Carrying with me the memories of an exciting summer, I returned to Brockport, hoping to share with many, the understanding of other people which I experienced.

NATIONAL HONOR SOCIETY

Membership in the National Honor Society is a privilege bestowed upon students in grades ten through twelve who have been selected upon the basis of their scholarship, leadership, service, and character. Belonging to this organization carries with it the responsibility of setting an example for the entire school, as well as providing services for the benefit of students, faculty, and community.

During this school year the Society established a memorial in the library for the language enrichment of all students dedicated to the memory of the late French instructor, Lawrence Cyr.

JR. NATIONAL HONOR SOCIETY

Emerging from its previously inactive state, the Junior division of the National Honor Society had a busy year. Members canvassed the town twice to sell candy; the proceeds went in part to the Community Ambassador Project and other worthy organizations.

It should be remembered that the requirements for this honorary society are the same as those for the Senior division: scholarship, citizenship, leadership, and service.

STUDENT COUNCIL

Striving to fulfill campaign promises, as well as aspiring to make this year "the best ever" for both the school and the students, Student Council plunged into the task of carrying out both new ideas and old institutions. The long-awaited student activity tickets and the eagerly anticipated student association play were among the highlights of the year. In addition to working for enjoyable school activities for the students, Student Council diligently performed the task of providing the rapidly expanding school population with a government of which they could be proud.

SENIORS

CLASS OF '63

Lots of work, lots of fun, and lots of money—add all of these up and you have the memorable senior year of the class of '63.

After obtaining last-minute permission to go to Washington, the big question was: where will we get the money? The obvious solution was: work, work, and more work! Various money-making projects including the senior dance, "The Monster Mash," the senior play, "You Can't Take It With You," and a baked food sale proved to be successful. The seniors earned their money and their trip! In doing so they had many wonderful times — ones which will live on in their memories as they set out to meet the future.

The job of publishing a newspaper is no easy one, especially in a school where there are no journalism classes. This year the load was lightened by the addition of an offset printing machine to Mr. Neuscher's printing lab. This allowed the printing to be done in school instead of sending the material out. It also cut costs immensely, thus the profits were proportionately increased.

The Arista staff worked diligently this year to produce a candid view of Brockport High School.

Several time saving devices helped the protography staff during those busy days when pictures were taken. Many hours during vacations and after school were spent laying out the pages of the yearbook. The literary staff aided by the sports staff, which wrote about the teams, worked to carry out the theme of this year's edition in the write-ups. As soon as the write-ups and identifications were completed, the typing staff pitched in and readied them for printing. The art staff had the job of drawing all the sketches and division pages.

To help offset the costs of production the ads were sought out and drawn up by the ads staff. The annual subscription drive early in the year was very successful and the subscription staff took over four hundred orders in a few weeks.

To buy a camera for future use, the staff held a record hop in February.

Library club is open to anyone in grades 10 - 12 who is interested in working with books. The main function of this group is to assist Mrs. Wilson in her duties as head librarian.

In addition, the activities for 1962-63 included a zany initiation, a tea for the teachers, and such fund-raising programs as the sale of used paperbacks and a record hop.

FUTURE NURSES

As a good prerequisite to the nursing profession an aspiring student in this high school may join the Nurses Club. This club has no fund-raising projects, but rather focuses its attention on the informing of its members about nursing as a full time occupation. Girls in grades eleven and twelve were invited to join, and those having been with the club for two years were allowed to do preliminary bedside chores at Lakeside Memorial Hospital.

VARSITY CLUB

The founding of a Varsity Club was initiated at Brockport this year. It is composed exclusively of boys who have earned their varsity letters.

The basic aim of the Varsity Club is to give proper recognition to the deserving athlete.

The members of this club have a common bond that unites them, they are all athletes. They are boys who have spent many hours on practice fields and who have worked hard and develop and improve their skills.

The Varsity Club is set up so that it is a mark of athletic distinction to become a member.

Under the direction of their advisor Miss Barush, the members of the Homemaking Club spent their meeting time learning about some of the "extras" of homemaking and giving valuable service to the homemaking department. To be eligible to join this club, a girl must be taking a homemaking course or have taken one in the past.

BACHELORS' CLUB

Mastering the art of keeping house is not as easy for boys as it is for girls. To overcome this handicap, some eighth grade boys formed a club this year with Miss McHugh as advisor, to help them learn more about cooking, cleaning and sewing.

SOCIETY OF SECRETARIES

The Society of Secretaries is an organization to which girls who plan to be secretaries belong. With each member's future in mind, the club invites speakers who are in the specific fields that interest the girls. These speakers talk about their job experiences in order to give the members an insight into their chosen fields. An informal party was held after each of the monthly meetings. While primarily a learning club, this organization combines practice with enjoyment.

DEBATE CLUB

With a few interested students, Mrs. Pepper organized this club. Early in the year four members and their advisor attended a workshop at Canisius College in Buffalo. It was described as a profitable experience. On the basis of what they learned at this workshop, a debate was attempted in February. Another was held in the spring with student debaters from Albion High School. There were no officers elected this year because it is on a trial basis depending on student interest. In the future there is hope of having debates with other neophite debate clubs.

SPANISH CLUB

This year's Spanish Club decided to spend the majority of its meeting time reporting and making scrap books on various Spanish-speaking countries. Bulletin boards in the Spanish room were arranged and kept up all through the year by the members of the club.

CHRISTMAS PAGEANT

Jam session!

On December 21st of this year a junior-senior high school cast presented a wonderful Christmas story. "Why the Bells Rang" told of how the bells in the old medieval cathedral would ring only for an unselfish giver. Directed by Mr. Cantin, set designs and lighting were done by students from all classes. The presentation had a very pleasing effect on all who attended.

JUNIOR HIGH BAND

Hours of assiduous practice, corrections of discordant sounds, and the constant quest to learn new numbers are only three of the ingredients necessary for the function of high school bands. The B.H.S. bands have experienced many trying moments during the year, however, their performances certainly showed the mark of their relentless efforts. They accomplished the task of completely revamping the bands and in doing so provided them with a much needed sparkle.

VARSITY SOCCER

After losing eight of their starting eleven players from the 1961 squad, this years team turned in an impressive 4 wins, 3 losses and 2 ties. This record was good enough to give the Blue Devils a fourth place in the ten team class A league. The squad was composed almost entirely of Juniors and Sophomores, which gave the opposing teams a decided advantage, however, the skill and determination of the players and the excellent coaching of William Hughs prevailed throughout the season.

Outstanding on this years team were Don Scoppa, Ed Riley and Captain, Thomas Parker, who was awarded by the team, The "M.V.P." award and was also selected to the All County Squad.

Due to the small number of students turning out for Varsity Soccer, it necessitated the using of several J.V.'s for Varsity ball. Therefore, this year was a building year for the J.V.'s in which they gained valuable experience which they will rely upon when playing Varsity ball next year.

With Pete Terry as captain, the J.V.'s played several scrimmage games and showed great promise.

VARSITY BASKETBALL

This year's varsity basketball team was an exciting one to watch. It was a spirited group that had hustle, desire and above all, unity. The boys were exceptionally hard workers and were willing to sacrifice in order to achieve their goals. With an abundance of Juniors and Sophomores, the team did well representing Brockport.

Just a little higher.

J. V. BASKETBALL

Our J. V. Basketball team this year was a very industrious club. Not only did we have members of last year's team back, but also many veteran's of the 1961-62 Freshman team. They were a hard working group of boys and the result of their efforts was success.

FRESHMAN BASKETBALL

Although this year's Frosh basketball team members may not have had the best record possible on the won-loss scorecard, they made up a team full of spirit. While giving up their time in order to gain experience for the future. they have represented Brockport well in the county loop.

STANDING: W. Bird, T. Grygiel, D. Waye, G. Speer, R. Unger, J. Rheinwald, P. Gaylord.
KNEELING: G. Christoff, Coach; R. Webster, Manager. ABSENT: J. Knab, H. Park.

JUNIOR HIGH BASKETBALL

The junior high basketball teams commenced their seasons eagerly. The primary purpose of organized teams at this age level is to develop athletes who will help us on our varsity squads in the years to come.

FIRST ROW: C. Clark, Manager; F. Marks, B. Webster, D. Brundage, D. Scholand, R. Pickett. SECOND ROW: L. Bissonette, J. Hicks, J. Gay, D. Salvatore, D. Dibble, K. Pickett. THIRD ROW: Mr. Wexler, Coach; J. Thomas, J. Truelson, B. Mowers, R. Jenkins, M. Milner.

WRESTLING

Wrestling, although carried on on a team basis, greatly aids the development of the individual. Much preparation, both mental and physical goes in to the making of a wrestler. The members of this squad sacrifice much time in preparing for the season, and when the season is over, the results are clearly visible.

FIRST ROW: D. Leonard, E. Kujawa, D. Thomas, M. Mahle. SECOND ROW: D. Gillespie, P. Crouthamel, A. Szklany, D. Wohlers. THIRD ROW: G. Clark, J. Lynch, Mr. Beaney, Coach; D. Palmer.

FIRST ROW: S. Coleman, S. Whitman, R. Moore, J. DeForest. SECOND ROW: G. Avery, R. Gay, J. O'Donnell, U. Wassmann, D. Mehserle. THIRD ROW: D. Luce, Mr. Beaney, Coach; D. Palmer, L. Thoresen.

WEIGHTLIFTING

Although it does not participate in interhigh contests, the weightlifting squad is as active as any team in the school. The purpose of weightlifting is to improve strength and endurance in preparation for future life or to help improve ability in intramural sports. Perseverance is the key word in weightlifting.

FIRST ROW: P. Tuttle, L. Bissonette, Managers. SECOND ROW: C. Wilson, R. Heise, Mr. Neitopski, Coach; V. Avel, T. Nesbitt, C. Truelson, W. Sweeting, W. Weitz, P. O'Dell, F. Webster.

VARSITY BASEBALL

The Brockport Central Baseball team ended another successful season with an over-all record of 16 wins and 5 losses. The Blue Devils captured the Section "5" AA crown by defeating Webster 2-1 in a thriller at Red Wing Stadium. The team lost the county title for the first time in 4 years as Penfield won by a score of 5-3.

The following boys received All-County recognition: Tom Nesbitt, 2nd base; Pete O'Dell, SS; Jack Milner, 3rd base; Vic Avel, Catcher; and Bill Sweeting, Pitcher.

Out at second!

FIRST ROW: S. Truelson, T. Burke, M. Myers, J. Mahan, B. Conrad, D. Webster, P. Nichol, C. Scholand, T. Wilson. SECOND ROW: J. Wahl A., Boyce, D. Aldrich, Mr. Corbin, Coach; T. French, B. Seilaff, T. Schmidt.

J. V. BASEBALL

Warming up!

The J.V. Baseball team was fortunate in having an excellent pitching staff consisting of Tom Schmidt, Jack Wahl, and Terry French. In playing J.V. ball these boys gained valuable experience which will be of great help in their varsity career. Under Mr. Corbin's excellent guidance the whole team displayed superlative teamwork in shutting out Greece-Olympia 3-0. Although the team ended the season 7-9, the sportsmanship displayed by the team overrode any disappointment in the scoring area.

FIRST ROW: V. Converse, T. Hicks, J. Rombaut, J. DeForest, L. Noble, J. McCormick, and B. Mosher, Managers; R. Moore, D. Ladd, D. Martin, C. Fox. SECOND ROW: J. O'Donnell, D. Wolcott, S. Terry, H. Mosher, R. Maw, R. Jenks, D. Leonard, R. Blossom, P. Armstrong, R. Wolf, L. Eastman. THIRD ROW: Mr. Miller, Coach; P. Crouthamel, J. Pavka, M. Depford, G. O'Dell, G. Gallo, J. Allis, H. Hoffman, J. Hickey, J. Matthews, R. Sweeting, G. Perry, W. Wolf, M. Brandenburg, Mr. Pasquarella, Coach.

TRACK TEAM

The Brockport track team was not of championship quality this past season, but as coach Miller stated, they rated an A+ in morale. Our boys did a commendable job for the school in participating enthusiastically in all their meets. Bob Wagner ('62) received sixty varsity points to establish the best record for any one player of the season. The entire team shows a great deal of promise, and we are looking forward to a record breaking season in the near future.

Still life!

TENNIS

With a predominance of sophomores and juniors the tennis team made up in spirit what it lacked in experience. For most of the varsity lettermen it was their first appearance on the court. However, working under its new coach, Mr. Gerald Christoff the team developed rapidly. Due to this lack of intermural experience the team did not have a greatly successful season, but this didn't dampen the spirit of the team.

KNEELING: T. Carges, J. Hetler. STANDING: J. Leek, T. Marsham, B. Fox.

GOLF

This year's golf team did a good job to boast Brockport's name in the golf world. An outstanding performance was shown by sophomore, Pat Lusky, by having the most wins in matches. Out of ten games, six were won with high scores.

KNEELING: Tom Benedict, Tom Parker, Captain. STANDING: Pat Luskey, Pete Terry, Bob Peffer, Don Adams, Mr. Grygiel, Coach.

This year for the first time, a Modern Dance group was formed at Brockport High School. Under the direction of Miss Cobb, the group, which was open to girls in grades 9 through 12, learned the fundamentals of modern dance. Senior Jeanne Cornell taught the group an original choreography during the weekly meetings.

Rochester is sometimes referred to as "the city that has everything." In business, industry and the professions, this is especially true. No matter what kind of a career appeals to you, there is an excellent chance that you can begin it right here. And the beginning is half the battle won!

It goes without saying that the first step is your formal education — as much as you can get. Employers look for this first. The next thing they look for is "brightness." And one key to "brightness" is how much you actually know about the kind of work you're going after. This is something you don't inherit from anybody. It is information you gather in advance for yourself — from parents, teachers, counselors, and friends. Most important — employers themselves are always ready to explain their standards and requirements.

Your idea of the best career for your particular talents may change, as you acquire more and more information about different fields of work. But when you decide what you want to do, some employer in the Rochester area will really want you — because by analyzing yourself, you have made yourself valuable.

ALMA MATER

Hi Peg-Leg (Pete?); My name's Barbara, what's yours? Stay the way you are, 'cause youse is real sweet, honey-chil'. See ya' tonight, and a million times during the summer.

Love ya',
Bubbles

Time passes by; years, how they fly,
Happy school days will sometime by o'er;
Love fills each heart, though we must part
With the friends and schoolmates we adore;
Honors we've won, duties well done,
Ready now, whatever may befall—
Mem'ry shall hold for aye
Scenes of our yesterday, and the friends we love the best of all.

Chorus
Three cheers to you, Brockport, to you;
Three cheers we're always proud of you;
We stand united, no duty slighted,
Our service plighted, too;
Love for our colors, as they fly,
Deep in our hearts will never die;
No matter where we be, on land or far at sea,
We'll ne'er forget you, Old High.

Peg,
I've been
your good friend
for several years
now. I hope we
stay close all through
high school. I'm glad
you met Dick this year.
All of us will have to go
together on dates this summer
and swimming down at the lake
Lets really live it up! This summer
I love
Carolyn

KURT WARNER

Peg,

Here's to Frosty and Cimmaron and the day at the lake. Remember our rides and the many happy hours we spent together, running (!?) over bridges, racing along the beautiful beach of the famous Lake Ontario, buying candy bars at the corner store, dodging cars on the highways, riding through dense forests, along narrow trails next to the famed Sandy Creek, viewing a rather dead horse, exploring fields, racing over posted fields, jumping ditches, playing house in the woods, cutting trails through the thick under brush, building corrals in the middle of nowhere and just plain having fun. See ya next year and have fun this summer. I hope we can go riding together again soon!

Ally

Peg.
